To Whom It May Concern:

This letter is to inform you that I have terminated my membership of the Church of Jesus Christ of Latter-day Saints.

Please remove my name from the records of the LDS Church immediately.

I understand that the withdrawal of my name cancels the effect of baptism and removes any Priesthood or Temple blessings. I will NOT participate in church disciplinary councils for I have done nothing wrong and I have no unresolved transgressions. I do NOT want to be contacted by anyone acting on behalf of the church. This includes Bishops, Ministering brothers and sisters, and anyone else.

I demand that you remove my name completely from your records within 5 business days of receipt of this notice and will consider my resignation completed at that time.

I am represented by Mark Naugle and request that all communication go through his office. I authorize Mark Naugle to act as my agent in all communications with your organization and its attorneys.
